# ADRIENNE

The key to a happy, harmonious life is balance. Eat right, get plenty of rest, and don't forget to treat yourself. That last one is Adrienne Manning's favorite. Her special treat involves taking a shot from each bottle in her liquor cabinet, staggering over to her nightstand, and pulling out "Sanford," her big black dildo. "I've been so bad...just awful," Adrienne slurs. "Will you teach me to be a good girl, Sanford? Please..." Drunk and horny, Adrienne spends most of the day playing with herself, cumming all over Sanford's rubber head, sticking his suction-cup balls to a kitchen chair and bouncing up and down until both the chair legs and Adrienne's shapely stems threaten to give out. That's Adrienne's day. She looks forward to nightfall, when she can let her hair down and get a little wild...

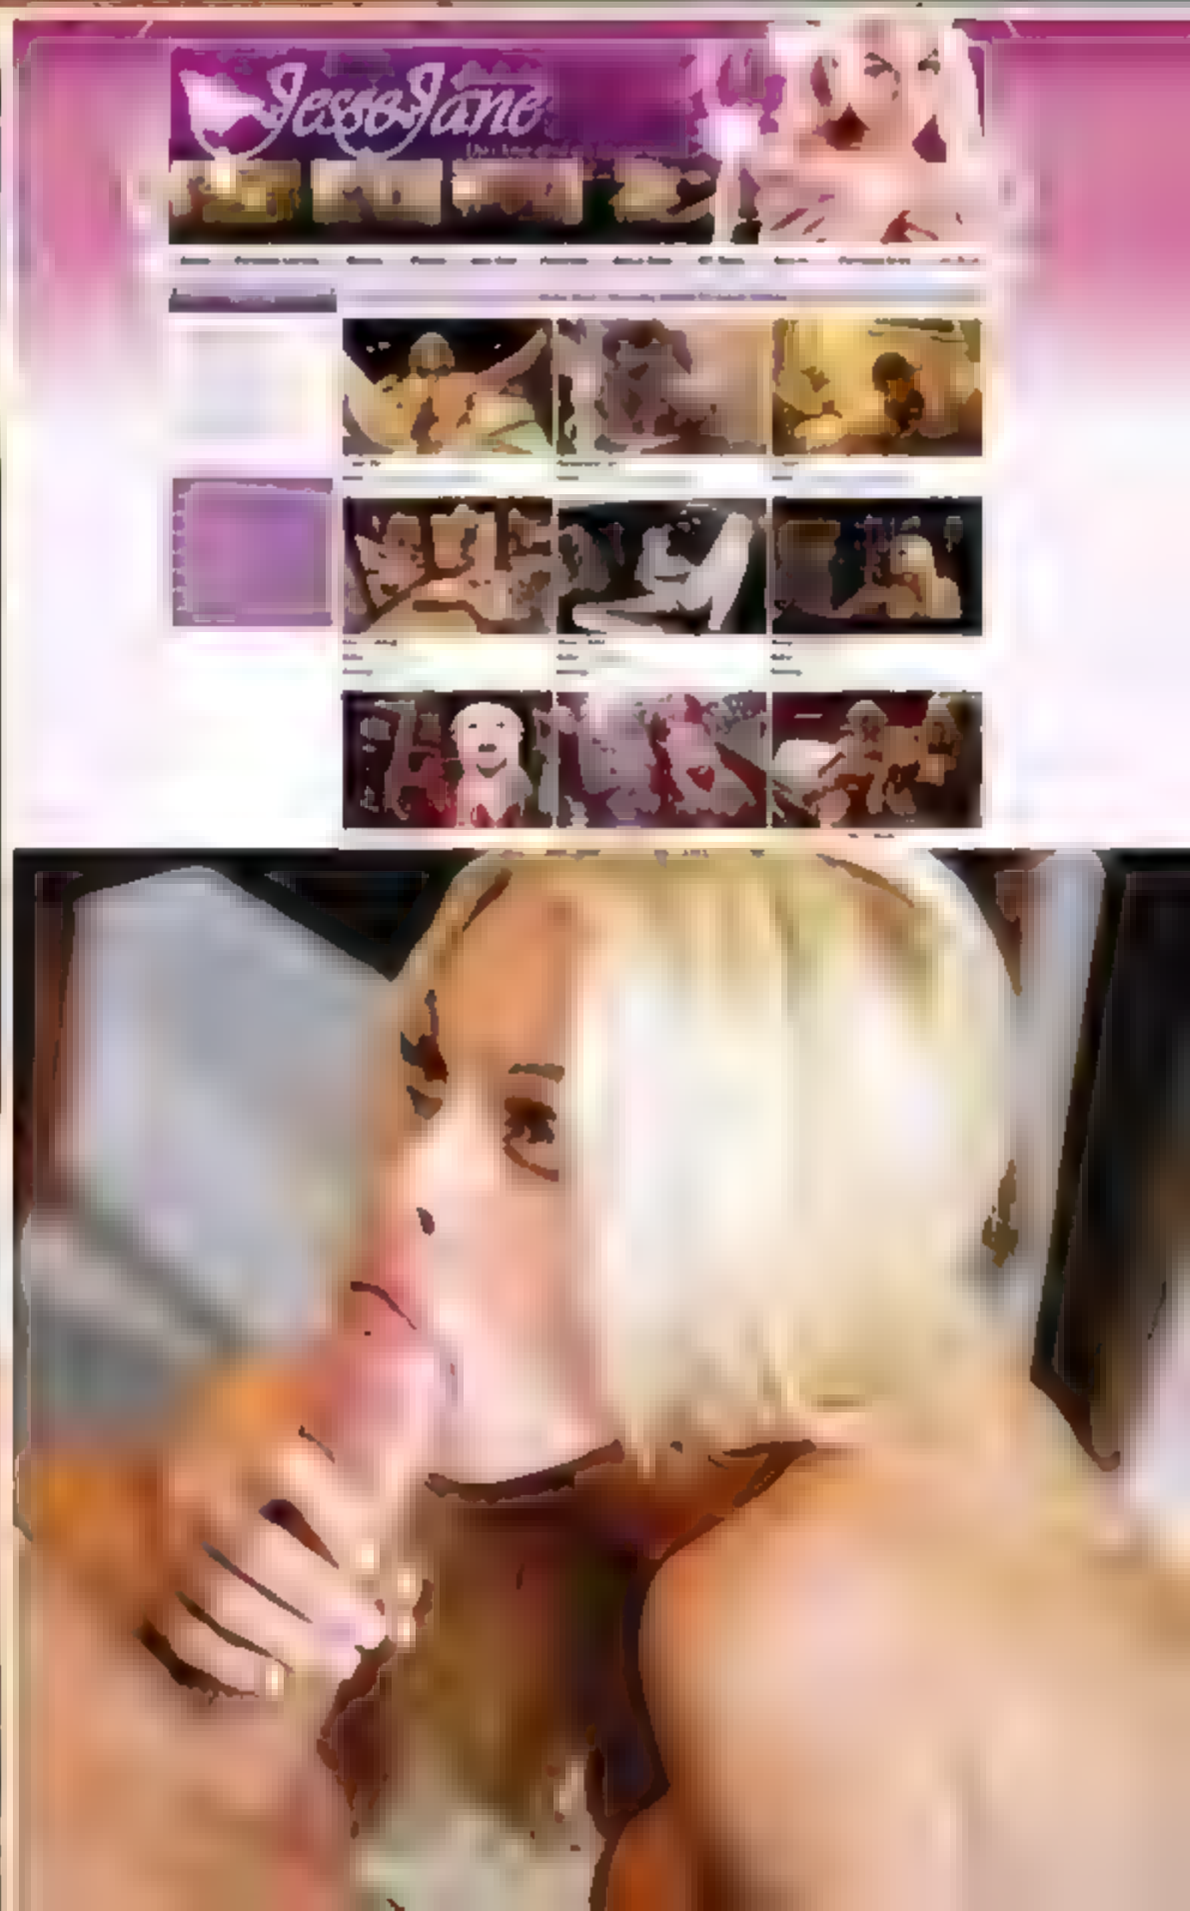
## SUMMER LOVIN'

### Jesse Soaks Up The Sun And Heats Up The Silver Screen.

Hey guys! This month I was asked to write a column about what I've been doing this summer, which is weird for me because I usually write about topics like "How To Orgasm" or "How To Give A Great Blow Job." So lets hear it for my "How I Spent My Summer Vacation" essay! Woo-hoo!

I have actually been really busy this summer. I have done a lot of photo shoots, movies, and feature dancing. Seriously, it seems like forever since I had a day off! But I'm not complaining. I had a lot of fun this summer and there's some exciting stuff happing over the next several months.

I have a couple of mainstream movies coming out. One is *Middle Men* starring James Caan, Giovanni Ribisi, and Luke Wilson. It's a very brief part, but it was fun I'm in the movie trailer for a half-a-second. Plus, you know the old Hollywood saying, "there are no small parts, only small actors!" I tried to play the role big for the short time I was on screen.



JessieJane

I also shot an Adam Sandler movie, *Born To Be A Star*, where I play myself That was a fun set! I was a litt e bummed out because they had a b gger part in the movie for me—wrote a bigger part spec f cally for me. In fact—but I had a scheduling conflict on one of the shooting days so they had to scale the part down a bit. Still, it was super cool

I have another movie coming out called *Let The Game Begin* with Thomas an Nicholas, Adam Rodr guez, and Stephen Baldwin I get a lap dance from Thomas Ian Nicholas—It's h larious! Plus, it's nice getting a lapdance from a hot guy for a change, instead of always being the one who's giving them!

On the XXX side, I've been shooting lots of content for my website, and f na y I'm going *live*! Woo-hoo! So you now you can chat with me in real-time, make me scream your name as I fuck myself with dildos and vibrators! Make me ta k dirty (it's not hard—just ask me!) then take your hard cock and jerk off all over my body. I love it! Oh...I'm not responsible for any liquids spilled or spewed onto your computer. Ha-ha!

There's a bunch of other projects in the works, too, but several of them are "top secret" (*shhhh*!) so I can't talk about them right now. There's a huge Digital Playground movie coming out this year called *Body Heat*. Me and the other Dig tal Playground girls play firefighters. The action is super hot...literally! (Ha-ha!) It's probably one of the biggest productions Digital Playground has done since *Pirates*, so keep an eye out for it!

So I hope to see you soon, both on the big screen at your local multiplex movie theater, and in a more intimate setting watching my DP movies, or visit ng my live interactive web site. I'll be awaiting your command!

What does Rebeca Linares do when she wants to check the time? Look at her watch? Nope, never wears one. Check her iPhone? Nah, that's for aweebs. When Rebeca needs to know the time, she'll ask Big Ben. No, not the giant clock in England She asks Big Ben English, the giant cock in California. She asks Ben the time because he always gives her the correct answer. "What time is it? Time for you to drop to your knees and swallow my cock, sweetie!" Ben says. Yes, this is exactly what Rebeca wants to hear. Ben always says the sweetest things. Who cares if Rebecca is always late and forever missing appointments? With a solid timekeeper like Ben around she's in for a good time! ●

INTERVIEW WITH A
PORN STAR

# shyla

## *Stylez loves sticky white substance!*

*Interview by Gerald Bostock*

There's an old expression. If it's worth doing, it's worth doing well. Porn star Shyla Stylez lives by that mantra. Unlike many young women who enter the adult movie business, Shyla still puts as much energy in her movies today as she did when she first started back in 2002 at age 18. She became a contract star for Jules Jordan Productions shortly thereafter and, about a year later, dropped out of the business altogether. But, like a culprit always returning to the scene of a crime, the true-blue sex maniac drifted back to the fornication-on-film fold in 2006 with her outrageous anal, double penetration and ass-to-mouth antics. We caught up with the super sexy Canadian native on the set of Smash Pictures' recent, Jim Powers-directed gonzo *Big Boob Car Wash*. »

**What did you think of director Jim Powers and your co-star Evan Stone today on *Big Boob Car Wash*?**

I've always enjoyed working with Jim Powers. He's actually shot many of my very first movies. Jim makes it easy on the performers by shooting around them: He manages to get his shots so you can go with it. Evan Stone is also always a joy to work with. He makes my job easy because he knows how to get those angles and knows how to manhandle a girl. When you work with A-list boys, they can really give it to you and make you feel amazing, but at the same time they're keeping the sex positions open for the director and for the cameras. Evan Stone is definitely A-list!

**_Big Boob Car Wash_ is your second Smash Pictures production—you appeared in Smash's _Registered Nurses 2_ in 2009.**

To be perfectly frank, I get hired to work for certain directors, but where the products actually go, I'm not so sure about that all of the time. But at the end of the day, as a performer, does it really matter to me? I mean, I know what I'm going to expect on a set, I know whom I'm going to be working with...All of my expectations are met, so wherever their product is going to land...that's where it's going to land! (*laughs*).

> "I have no preference in cock size. Any will do. It's not only how they use it, it's how I can abuse it!"

**What's the most memorable scene you've worked on?**

I did an excellent scene for *Deviance 2* for Adam and Eve. I got to work with my all-time favorite performer—and fellow Canadian—Erik Everhard. We let it all hang out in our scene—wild anal! There are great cover shots of me in downtown LA, rolling out of my Bentley and acting like a rich snob. They made Erik play a bum (*laughs*), so they smeared mustard and different things on his shirt. It was outdoors in downtown in LA. Hot as hell. Erik and I make magic together when it comes to performing on camera. *Deviance 2* is going to be a big movie...Nikki Benz, Jenna Haze, Lisa Ann, and Teagan are also in it.

**Do your sexual attitudes change on-camera vs. off?**

Going through a metamorphosis when I get in front of the camera is very easy for me. And I'm very excited when I know I'm having sex with a stranger. (*laughs*) That keeps it sexual for me. But basically, once everything turns on, I turn on. I light up.

> "Gangbang Girl 34 for Anabolic - there's no way I can top that! A gangbang was a deep fantasy of mine for a long time. Really what chick wouldn't want a room full of men wanting her?"

**What are your feelings about oral sex, giving and receiving?**
I'm super picky about receiving, but I'm more than happy to give. I think that's where I shine. I think I raise the bar when it comes to giving oral. In my private life, if I'm super comfortable with somebody, I have no problem receiving oral.

**What's the last concert you went to?**
The last concert I saw was my favorite band in the entire world: Pearl Jam. I saw them in Chicago. I remember the first time that I heard them. I have a saying—"Vedder makes it better." Sometimes growing up can be hard, and the only music which could really calm me down back then was Pearl Jam. Vedder made it better. He made my life better.

**What's the last song played in your iPod or CD player?**
The last song I listened to before we started this interview was Rob Zombie's "Pussy Liquor." It's one of my stage songs that I dance to. I love Rob Zombie.

**What's your favorite mainstream movie and why?**
I have one that I could watch over and over again: *Pretty in Pink*. (*laughs*) I like that one because it's comforting. I mean, I could watch it every Sunday and be happy for the rest of the week. (*laughs*).

**If you could have dinner with anyone, whom would it be?**
Just dinner? Nothing more? (*laughs*) Well, I really admire the people who put it down before me, so it would be either Bettie Page or Marilyn Monroe. I really have great appreciation for women who helped pave the way for performers like myself, and I'd just love to sit down and talk with them.

**If you could change one thing about yourself, what would it be?**
My height. It's always held me back because I always wanted to be a model.

**You're an anal queen...do you mind being called that?**
No, I love it!

**Well then, when was the first time that you did it?**
I was 18, and it was great. There was this hockey player, and he's the first one that brought a lot of dirty things into my life. He bought me a double-headed dildo...I had a lot of first-time sexual experiences with him, including anal. And I absolutely enjoyed it. I liked it. (*giggles*)

**What about licking ass?**
I'm really internal when it comes to that area. I'm blessed that my pussy is sensitive both internally and externally. I've got it both ways. I can come if you hit the right spot on my pussy. A lot of women aren't build like that. But anally, it's only internal. I have no external sensitivity down there whatsoever. So I couldn't give a shit that somebody was licking my ass, and I could care less for licking somebody else's.

**Favorite position?**

On camera, my favorite position is pile driver. I love it. I'm really visual, and I think it's down and dirty, and it's like...everything is in my face with anal piledriver. In my personal life, I'm kind of old school with missionary. But, you know, I take missionary to a different level. I can hook you and grab onto you, lock onto your eyes and do the work. It's not like I just want to lay on my back and be lazy. I think it's just the way I know how to work it. Missionary is definitely my favorite. If you do it, I do it. (*laughs*)

**What size cock do you prefer?**

I have no preference in cock size. Any will do. It's not only how they use it, it's how I can abuse it. (*laughs*)

**What are some of your favorite Shyla Stylez movies?**

I have favorites for different reasons. I think *Ass Worship 9* for Jules Jordan was great. But the one which was monumental and also really hard was probably *Gangbang Girl 34* for Anabolic. There's no way I can top that. I went through a lot that day, besides getting the scene done. A gangbang was a deep fantasy of mine for a long time. Really, what chick wouldn't want a roomful of men wanting her? And in the controlled atmosphere I was in, it was totally safe, too. I wanted to do it; it took 15 hours to do; I did it; I got through it; and it was one of those landmarks in my career. It was a fantasy because there were so many guys. It was sexy having a roomful of men who wanted to devour me

> "Erik Everhard and I were fucking in a Macy's dressing room. Eventually a security guard knocked on the door and was like, 'You need to leave.'"

**Any more gangbangs planned for Shyla Stylez?**

On that level, absolutely not. But there are some things in the works that are pretty exciting. Let's put it like this: I'm working on a project right now that's going to bring back the old Shyla. And in case people haven't become members of my website yet (*laughs*), it's shylaxxx.com. Been working my ass off for that site...there's a lot of things on my web site which have really pushed my sexual limits.

**What's your ethnic background?**

I'm French-Canadian, English, and I have some American Indian in me, too.

**What was the happiest day of your life and why?**

That's a hard one because I think I'm a pretty happy girl all around. I'm usually in a pretty happy mood, and I think the friends that know me the best would agree with that. But one of the happiest days so far was when I became an American citizen and working as hard as I have to maintain my citizenship. When I got that in my hands, I felt unstoppable. I worked really hard to obtain my citizenship, so I'd definitely say that that was one of the happiest days of my life.

**What's the weirdest place you've ever had sex?**

Well, there was a video store in Chicago. (*laughs*) We put the tokens in, and I totally fucked a guy in one of those little booths. When we came out we caught hell from the owner. I've done it down a busy main street, totally riding a guy; done it going through a tollbooth, along the side of a freeway during rush hour. Where else have I done

> "Sex is a natural thing for me, something that I've always been intrigued with. Porn is a calling for me. Completely."

it? (*laughs*) Oh, Macy's! Macy's dressing room! Omigod. This one takes the cake, and it was with Erik Everhard. (*laughs*) I occasionally go shopping with guys, try to make them over a bit, give them style advice. Anyhow, I went to Macy's with Erik and we spent hours picking out all these clothes. You have no idea. When we finally got to the dressing room...well, one thing led to another (*laughs*). Before you know it, Erik Everhard and I were fucking in a Macy's dressing room. Eventually a security guard knocked on the door and was like, "You need to leave." I was bummed out because it took us so long to pick out the clothes. I was like, "Before we leave, can we please pay for the clothes we picked out?" (*laughs*). We were totally busted!

**Did they let you pay for the clothes?**
They did, but they escorted us out, too (*laughs*).

**When did you realize your calling to be a porn star?**
Why not? (*laughs*) The real answer is that I've always been very sexual. There's something in me, an aura you can't deny, a very sexual presence. I decided to roll with it. I took what's typically considered a bad thing, turned it around, and made a career out of it. Sex is a natural thing for me, something that I've always been intrigued with. Porn is a calling for me. Completely.

Cindy Hope's in a hurry. She's late for work—she's scheduled to shoot a double penetration scene out in the Valley today, but she overslept and now she's making a mad dash out of the house. The last thing she expects to see is Ariel X waiting at the bottom of the stairs, completely nude with a dildo in each hand. "Hold it, Hope," Ariel says. "You're not going anywhere until we fuck. You promised." Damn, that's right! Cindy stood Ariel up for a lesbo booty call last night. Looks like Ariel wants to collect her I.O.U. this morning. "But I'm late!" Cindy protests. "You promised," Ariel reminds her, handing her a large pink vibrator. Sometimes the only thing a girl can do is do another girl. Those are the times we like best. Eat up, Cindy—pussy is the breakfast of champions! ●

## MIKE ADRIANO'S POUND THE ROUND

Digital Sin 6 V.O.V.

This is the kind of movie that could make a guy really fucking jealous. Why does Mike Adriano get to fuck all these girls himself? Just him and his camera, nailing babes and blowing tremendous loads on their tender skin—what about us?!

That's the joy of POV—with his *Pound The Round* series we don't see much more of him than his dick and it goes where every man wants to go and when girls are of this caliber, they are just dreams for most of us mortals. And there is nothing wrong with dreaming.

Who hasn't woke up to wet sheets with visions of a busty and blonde European like Bridgette B? As many times as we've seen Sadie West get banged in the last year or two, we still have night visions of that delightful body smacking against ours. Katie St. Ives brings along the just-legal legend that pops boners with any trip to the mall or the movies. Gracie Glam looks the part of the college girl, the one who distracted us in the library and helped keep our testosterone levels higher than our grades. And then Capri Cavalli and her enhancement advancements, the girl you know wants to get banged every night but you can't figure out how to make that cock yours. Well, now you can...

*By Acme Andersson*

# BRIDGETTE B

When the girl uses just an initial for her last name it's open to interpretation, but the way her asshole is open to Mike's big cock we can take a guess that the "B" stands for something romantic like "Buttsex" or "Bangmyass." Truth is, no one will give a rat's ass what this girl's first or last name is once she makes it clear those clothes are coming off

And what a reward her curves are, flowing like a perfect melody and her juices do the same, her pussy dampening as the inches of Mike's rod slide into her mouth for a tonsil test. She passes quickly and is moved up to the next level immediately, bending over, her sweet, round, Brazilian-type bumper accepting his veiny meat without trepidation. The Spanish lass whispers words of wisdom as his cock sinks deep into her cheerio and Mike takes ass-ramming to the level of fine art as he crams her dumper full of man-meat

He turns her over and she spreads her legs, exposing both her glory holes, and Mike offers a moment of attention to her twat, but his cock's magnetic attraction is to her ass and he leaves the pussy play to the foreign subject. Even she doesn't seem that interesting in vag stimulation—that's *so* 2009—and she gets off to his stick keeping her backdoor properly plowed. They go back to doggie for the final stretch and when Mike cums it seems his interest in the arts now includes painting: The mighty white globs drip down each of her ass cheeks with a texture and flow that is usually reserved for the works in finer museums.

# SADIE WEST

That damn Sadie has been taunting us with that beautiful ass for far too long and for a moment it seems like Mike is finally going to pop that cherry, especially when she goes wild while he rims her airtight backdoor. Instead, it's the pussy that puts out the welcome mat for his dick, and it's not something he or we can really complain about. It's a fine-looking gash and despite the amount of time it's spent with fine objects inside over the past couple years, she's keeping her lips tight.

As is common, the best shots of Sadie fucking highlight her outstanding ass, and Mike makes good use of his POV skills as he takes her from behind and has her riding reverse cowgirl, her unusually curvy rump taunting us with its unexplored entry. But we get over it quickly enough when she talks dirty in that husky voice of hers, moans and dirty words a blur as her shaved-clean snatch suck up everything Mike has to offer

When the girl cums there's no question about it and while she doesn't need to make an announcement, she usually does and her body goes through uncontrolable convulsions that eventually help Mike reach his own peak. While he still hasn't got a pass into her ass, he does give her devil's onion ring a dousing, squirting much of his load on that evasive target, while a few stray sprays hit her cheeks. Ah, someday that ass will be all ours.

# KATIE ST. IVES

What's a cute, young thing like Katie doing with such remarkable attributes? Take a look at that face and one thinks of a recent grad who is probably just contemplating her first blowjob. But a closer examination reveals an amazing little body. Her ass pops out of her shorts and don't think she hasn't been using it to her advantage. And her tits are surprising full and pert, and she's well aware of that, too.

But she's still young and her ass isn't ready for a guy so hung. She's got a pussy to blow-out first and that clam only opens up thanks to Mike's expert ways. (And don't think his oral work avoids that virgin ass, planting the seed for what he hopes to later plant in her backyard.) Today she's pussy perfect and he pries open that prize and gives her a lesson in division. Her snatch lips are brown and stretching right before our eyes, gripped so tightly around his pecker that sometimes it looks like they might follow his cock all the way out when he pulls back his stroke.

For someone so fresh into the arena she sure knows how to let herself go and her far away eyes are in another universe when she cums on his dick, little voice moaning and squealing. Mike don't let up, instead teaching his student what it's like to get it good. He rewards her with a spot-on delivery of a huge load on her ass that has her laughing with nervousness, wondering if his fountain will ever stop flowing. Wait until she feels the load her vice-tight assho.e will build up!

# GRACIE GLAM

This is the prototype for every guy's spring break dream. A girl with a quick smile, a tight little body and the girl-next-door cuteness that makes you want to hit it a couple times and move on with your life, the memory forever there of that sweet snatch you hit in Miami or Mazatlan, but probably would never have given you the time of day back on campus

We don't know where Mike got to hit this sweet little sexpot, but she lives up to sexpectations, from the moment her hazel eyes look up with that big cock deep in her mouth, which still manages a knowing smirk. She gets more serious when she rides, especially in the opening minutes as her juices get flowing. Soon she's wet and wild, bouncing on his dick and laughing cutely at the sensation of having his long rod in her body so curious and willing.

Mike takes things seriously and at no time is that more evident than when he bends over his one-off for a doggie that drives her down a road she's never been down before. The smile leaves her face and is replaced by a sultry look that a girl has to earn by getting banged by certified professionals. She does well and can breathe and smile again after Mike pulls out at the last second and gives her a liquid tramp stamp that won't last long, though the memory will last forever

# CAPRI CAVALLI

Those of us who have spent many a night bellied up to the stage at our favorite strip clubs know Capri's type well. She's surgically enhanced in all the right ways and despite her young looks and easy smile comes across with an overwhelming sexuality that makes us think she just might fuck us if we pay for one more lap dance

Yeah, it happens, but for most of us the fantasy is more likely played out on the screen than in the backseat of a car or her well-furnished apartment. Mike probably didn't have to spend a night drinking mugs of stale beer to get her big blue eyes fluttering at him as she sucks his cock or to get a long, close-up look at the big tattoo that she has decorating her lower back. Twenties didn't have to hit the stage for him to get her pink dot wet for his dick or to get his balls smacking against his clit, but it's obvious she's been here before

Taking her from behind, Capri turns and gives him a flirty smile as she approaches her own orgasm and he keeps it up until he can offer his own and out comes the cum, that dirty reward of jam we all wish we could spread on her ass. Let this serve as hope that next time, *we'll* get the girl.

# Riley Steele

To Riley Steele, men are like shoes—they come in all sorts of interesting shapes, sizes and colors. There's nothing she'd like more than a chance to try out *all* of them, slip into each one, and allow each to slip into her. "Come to think of it, I feel the same way about women," Riley admits. "Maybe even more so. Women also come in a variety of shapes, sizes and colors. They're all beautiful—it just depends on your mood!" We couldn't agree more. The CHERI Staff has been treating women like a pair of old sneakers for nearly four decades now. We stick ourselves in, run 'em hard, get 'em almost, sticky and smelly, then toss them aside until we need them again. That's what you're talking about, right? "No, asshole," Riley says. "I'm talking about appreciating the inner beauty of women and men alike. I'm talking about celebrating the glory of human sexuality. Why are you such a negative misanthrope?" Uh, is that a person who sniffs panties? Because we like that, too. Wait, are we talking about the same thing? ●

# MYA

What the hell is going on here? Mick Blue's got a nice afternoon planned with Mya Nichole. He took her shopping and bought her lunch. Now they're back at her place and Mya is modeling her new fetish gear for Mick. She's sitting on his lap, rubbing her bare bottom all over his cock, feeling it grow hard against her cheeks. They kiss passionately and Mick's hands roam freely over Mya's tight body. Oh, it won't be long now, Mick. But wait! What's Ben English doing here? He can't just walk in, wave his British boner around, and cockblock poor Mick Blue! That's not right! Who invited him, anyway? "I did," Mya admits. Why Mya? "Because he's Big Ben English, and all the girls in porn worship his mighty penis. I must have it...fuck me, Ben English. You fuck *meeeee*!" See, it's good to be Ben English. We told you that back on page 24. Maybe now you'll believe us.

# WOODY IN HAND

What do you expect when you walk into a strip club called Woody's? You expect to get a woody, right? Well, walk into Woody's Gentlemen's Club in Cedar Rapids, IA and that's exactly what you'll get—a massive erection. Sure, the club is great. There's a big stage, a big sound system, plenty of televisions tuned to sporting events, comfy chairs, and tables with built-in ice buckets so you can keep your brews cold. It's all good, but it's not boner-inducing. That doesn't happen until you see the girls on stage.

# SATISFIED CUSTOMERS

Woody's has some of the hottest, friendliest exotic dancers in the Midwest, and they're all as naked as the day they were born...well, except for tattoos and vagina jewelry. Customer reviews of Woody's range from ecstatic to orgasmic. "What's better than watching the game on the tube and hot asses at the same time?" one patron notes. Not much, bro. Except maybe for having a cold beer to your lips and a hot ass in your lap. If you want that, visit Woody's VIP Room. As one customer notes, "The VIP room is where all the action is at." So cozy up to your favorite dancer and pay a visit to Woody's VIP Room. Your lapdance awaits.

## BAD GIRLS 3 ⚡⚡⚡⚡⚡ (Digital Playground)

Starring: Jesse Jane, Jenaveve Jolie, Jenna Haze, Riley Steele, Madison Scott.

Five of the hottest bad girls—led by CHERI Entertainment Editor Jesse Jane—make *Bad Girls 3* one of the year's hottest porn flicks. Each babe revels in intense, sweaty sex, chock full of extreme close-ups courtesy of master lensman, Robby D. Jesse Jane and Madison Scott approach Ben English for sex (yeah, it's good to be Ben English). Jesse deep throats Ben's cock and lets him bang away at her and her slutty friend Madison before ending with a double facial finale. Jenna Haze hooks up with David Perry, sucking and fucking his turgid meat wand just to make her boyfriend jealous—now that's a bad girl! Jenaveve Jolie spreads for Ben English, (we told you it's good to be Big Ben), who floods her spicy taco with extra man-sauce. Jesse returns for a major fuck fest with Evan Stone, but she has a hard time topping this flick's final scene. Riley Steele picks up Danny Mountain in a bar, fucks him, eats his cum, and then watches as he runs out the door. Such is the nature of "bad girls"—find 'em, fuck 'em, and make a quick exit. Stick around and you're asking for trouble.

# SLUT PUPPIES #4 ⚡⚡⚡⚡⚡

(Jules Jordan Video)

Starring: Amia Miley, Jenna Presley, Katie St. Ives, Kenna Kane, Melanie Jane, Natalia Rossi, Shyla Stylez.

The forth installment of *Slut Puppies* maintains its theme of beautiful young girls engaging in whorish, deviant sexual behavior. The one new wrinkle in *#4* is Natalia Rossi giving up her wrinkled button in her first ever anal scene! A bit timid and overwhelmed at times, Natalia reminded us dirty dogs just why we so adore those awkward, oft-wincing virgin anal defilings. After receiving a teeth gritting anal piledriver, tasting her own ass juice, and eating a mouthful of Voodoo's spew, the poor young slut may never fully recover—or so we hope! Also noteworthy is the most experienced girl of the group, Jenna Presley, delivering a really nasty scene cumplete with squirting, ass-eating, titty-fucking and load chugging – the type of vile versatility only a veteran vixen could deliver! If you like it hot and nasty, and we know you do, you're gonna love *Slut Puppies #4*!

# TEEN GLAZING ⚡⚡⚡⚡ (Vince Vouyer Unleashed)

Starring: Gracie Glam, Dani Jensen, Kimberly Gates, Lexi Belle.

Discovering new niches and genres in porn is a bit like being a lab chemist, mixing known ingredients together to create a new, interesting combination (kinda like the guy who invented Peanut Butter Cups!) In *Teen Glazing*, mad sex scientist and producer Vince Vouyer combines beautiful 18-year-old girls with multiple cum-drenching facials, and things go from cute to nasty in a hurry, resulting in a virtual teen mini bukkake. An all-star cast of today's hottest teen starlets getting their mugs milked on by every Tom, Dick & Harry on set—what's not to like? Dani Jansen stands out in her opening scene as a bratty little slut who gets locked up and cummed on through the bars of her jail cell. Gracie Glam passes her time in detention by using her pretty face as a sperm receptacle. And what about sexy Lexi Belle and kinky Kimberly Gates, you ask? You guessed it, everybody cums on their faces too! Glaze on, girls!

# WHALE TAIL 5 ⚡⚡⚡⚡ (Smash Pictures)

Starring: Ashlyn Rae, Pepper Foxxx, Hannah West, Dani Jensen, Miley Ann.

*Whale Tail 5* is a heartwarming children's story about an orphaned Humpback's sea-spanning search for its missing parents. Only kidding. Don't show this movie to your kids unless you want to get arrested and fuck your family up for generations to come. This latest installment in Smash Pictures' *Whale Tail* series continues to explore the idea that all girls in low-rise jeans with exposed t-back thongs are nymphomaniacs. So far the theory holds. Ashlyn Rae, possibly the hottest teen star on the planet, gives it up to Mr. Pete, who pulls down her thong and goes to town on her sweet snatch. Dani Jensen lets creepy old Mark Wood sniff out her goodies, and then she takes his cock deep inside her wet cunt. Hannah West proves why she's one of porn's nastiest, dirtiest whores, gagging on a hard cock before stuffing it up her stretched-out pussy. Keep an eye out for naughty newbie Pepper Foxxx, who takes 12 inches of dickmeat from her friendly neighbor and is left a screaming, quivering mess. Hot stuff all around! This is far from family fun, but it's one the perverted crotch-rubber in your clan will certainly enjoy!

# DEVIL IN MISS JONES RESURRECTION ★★★★ (Vivid)

Starring: Savanna Samson, Rebeca Linares, Victoria Sin, Penny Flame, Belladonna, Carmella Bing.

*Devil In Miss Jones Resurrection* contains fine acting, outstanding sexual performances, excellent story, and enough porn star power to make this one of the year's "must-see" movies. Belladonna delivers tons of energy—both acting and performance wise—as Miss Jones, a freelance reporter who willingly sells her soul to the devil, Pandora Phoenix (Savanna Samson), for fame and glory. Bella and Kurt Lockwood open the film with a hot and heavy anal scene that ends with a sizzling rectal cream pie. Veteran cocksman Tom Byron fucks the hell out of Penny Flame and Victoria Sin—literally—while delivering preachy lines like "I will consecrate all that is evil within you!" A lofty goal, indeed, prompting Penny to ask, "You're gonna fuck the evil right out of that tight fucking whore ass?" Perhaps. The entire cast engages in a no-holes-barred hellacious orgy during the grand finale that is so good, you definitely will need to go back to re-watch. It would be a sin to miss out on this one! It's a helluva good time!

Samantha sees Tim's card on the student center bulletin board. "Five dollar foot massage—satisfaction guaranteed!" Five bucks to get her sweaty dogs rubbed? That's a bargain! The next afternoon Tim is in Samantha's dorm room, rubbing her aching feet while she plays X-Box. "Mmm...that feels great," Samantha purrs. She's having trouble focusing on her game, so she puts the controller down. There's no denying it—Tim's strong hands on her feet make her horny! When he starts licking and kissing her toes that's the final straw. "Damn, Tim! You've got me going! Is there anything else you know how to rub?" she asks. "Or is there anything of *yours* I can get my hands on?" Tim smiles and unzips his pants, letting his massive boner air out. He's about to satisfy another customer, and make another five bucks!

BEHIND THE SCENES

# GANGBANG AUDITIONS 23

## Multi-tasking babes like being the center of attention...and human cum targets!

By Rob Perez

Photos courtesy of Diabolic Video
DiabolicVideo.com

After a nearly two-year break in production, Diabolic's beloved Gangbang Auditions series is back! If you love gangbang flicks, watching hot girls getting their holes stuffed with cock-after-cock, *Gangbang Auditions 23* has a lot to offer. Rebeca Linares, Mya Nichole and Dakoda Brookes bring their A-game, making *GBA#23* one of the best entries in this long-running series.

Rebeca Linares arrives on location—a sketchy looking warehouse in Southern California. Rebeca looks around nervously. Suddenly the door slams shut, the lights go out, and Rebeca finds herself face-to-erection with four horny men. Sound intimidating? Not for Rebeca...to her this is a party! Rebeca is insatiable. She's sultry, works the camera well, and really knows how to crank up the lust factor. Rebeca maneuvers between cocks like a pro, taking her mouth from one dick to the next with a healthy display of sexual appetite. It doesn't take long before the first guy enters her pussy and then they take turns screwing and stuffing her. Eventually Rebeca takes a particularly large dick in the ass, followed by hard anal fucking and lots of screaming. The scene gets

# Diabolic

nastier from there, as the quartet pulls a train on Rebeca, subjecting her to a seemingly endless double penetration session. Rebeca's a trooper about it all—it sure looks like she enjoys having her pussy and ass stuffed simultaneously. The scene ends with all four guys dropping loads on Rebeca's pretty face and mouth. Rebeca looks glazed and cumfused, yet thoroughly pleased.

Mya Nichole, like Rebeca, begins by taking on four cocks at the same time. Then a fifth one wanders into the scene and that's when the action really heats up. They waste little time getting to her pussy. One dude manages to get beneath her while another fucks Mya's face, shoving his cock deep down her throat. Suddenly another cock pierces Mya's ass. She gasps for a moment, then her mouth is filled with dick again. She fucks like she's a Pony Express rider diligently trying to deliver the mail. For the better part of forty minutes Mya takes it up the ass and pussy, often blowing and/or jerking a dick at the same time. Busy girl, but her hard work pays off. She delivers the hottest scene is this already scorching gangbang film. You go, Mya!

It's Dakoda Brookes' birthday and her birthday wish is to fuck five guys simultaneously. In good gangbang form, Dakoda bounces her mouth between all five cocks and lets one guy enter her pussy while she sucks off another. This continues for most of the scene until eventually one of the guys sticks his dick in her ass. From there the scene heads down familiar double penetration territory, and like the other girls here, Dakoda handles it like a champ. Again, after about forty minutes or so there's a nice creamy facial to bring things to a close.

*Gangbang Auditions 23* will give you plenty of bang for your buck. There may only be three scenes here, but Rebeca, Mya, and Dakoda all churn out amazing performances. Add to that the fact that each of the scenes will last longer than you will and you have a release that's a worthy addition to any gangbang fan's collection. Not a single bad scene. Director Sid Knox may have, in fact, directed the perfect gangbang film. Check it out!

# ALEKTRA & SAMMIE

Alektra Blue has her roommate Sammie Rhodes right where she wants her—impaled on the end of a lengthy, lubed up dildo. Sammie is cumming again—she must have cum six times in the last hour—but Alektra isn't finished. "This will teach you to take my shoes without asking!" Alektra chides, sawing the sex toy faster and faster into her busty friend. "Next time ask before you take my stuff! That's it! Cum all over the couch. Go ahead. You're going to have to clean that up later. Now, because you forgot to take out the garbage this morning, you need to eat my pussy." She spreads her legs and Sammie obediently laps away. Sammie doesn't mind her roommate's orgasmic brand of "tough love." Tomorrow she'll take Alektra's car without asking—hopefully Alektra will give her the anal discipline she deserves ●
